

Langner's Lessons Update

10.25.22

Hi Everyone,

And Happy Halloween a bit early! Here's to wishing for good weather for Trick or Treating!! Langner's Lessons is closed a bunch of November, more specifically November 10 – 26, with the exception of Sunday, November 20th. And just a reminder that Holmes pool will be closed Sunday, November 6 for a swim meet; however, Langner's Lessons will still be open and Sunday afternoon privates will still have lessons.

The Signs By Tomorrow Level 1 Scholarship forms are due by Thursday, October 27, 2022.

This coming Monday, October 31, 2022, is when group lesson registration for November/December will open. Just a friendly reminder that I'll be posting the Signup Genius link on my website early in the morning and will not be sending out an additional email with the link.

Then, on Tuesday, November 1, 2022, registration for the January private lessons will open.

Please check out my website at www.langnerslessons.com. You should be able to find all of my information on the site - including the links to Signup Genius.

See you at the pool,
Jamie
