

Langner's Lessons Update

4.25.24

Hi Everyone!

Summer is right around the corner, and I can't get any more excited!

Here are the upcoming important dates:

- May 1: Registration for Session 6 Private Lesson opens
- May 1 – 5: Langner's Lessons will be closed
- May 2: Nomination for Session 5 Signs By Tomorrow Scholarship due
- May 9: Registration for Session 5 Group Lesson opens
- May 18 – June 2: Langner's Lessons will be closed
- Langner's Lessons payment policy continues to be payment-in-full due on the day of the first lesson.

Please note that the July schedule has one change. Langner's Lessons will also be closed on Monday, July 8, 2024, to take my son back to college.

UNI has a new swim club. Check them out at www.pantheraquatics.org. May 9th is their Evaluation Night.

As a reminder, August will consist of two – one week sessions. When you sign up for a Monday, August 5th time slot, you will be signing up for Monday, Tuesday, Wednesday, Thursday, and Friday of that week at that time (with the exceptions of evening times as evening times will only be held on Monday and Wednesday nights). And when you sign up for Monday, August 12th time slots, you'll be signing up for Monday-Friday of that week at that time (again, with the exceptions of the evening times which will be held only on Monday and Wednesday).

Thank-you and keep swimming,
Jamie
