

Langner's Lessons Update

5.27.2025

Hi Everyone!

I hope you all had a terrific Memorial Day Weekend!

Here are the upcoming important dates:

- May 19 – June 1: Langner's Lessons will be closed
- May 30: Registration for Session 7 Private Lesson opens
- June 13: Nomination for Session 6 Signs By Tomorrow Scholarship due
- June 20: Registration for Session 6 Group Lesson opens
- June 29 – July 6: Langner's Lessons will be closed
- Langner's Lessons payment policy continues to be payment-in-full due on the day of the first lesson.

Just like last year, the August session (Session 7) will only have private lessons that will consist of two, one-week sessions. When you sign up for a Monday, August 4th time slot, you will be signing up for Monday, Tuesday, Wednesday, Thursday, and Friday of that week at that time (with the exceptions of evening times as evening times will only be held on Monday and Wednesday nights). And when you sign up for Monday, August 11th time slots, you'll be signing up for Monday-Friday of that week at that time (again, with the exceptions of the evening times which will be held only on Monday and Wednesday).

If anyone has any pictures of their swimmer at Langner's Lessons that they wouldn't mind being used on the website or on Face Book, please send them to me so they can get posted.

Stay safe and swim lots this summer!

Thank-you and keep swimming,
Jamie
