

Langner's Lesson's address is 512 Alvarado Ave. My home sits on the corner of Nordic Ridge and Alvarado with my garage and driveway sitting off of Nordic Ridge. The pool is in a building to the west of my home and on the south side of Alvarado Ave. Please, park on Alvarado Ave and walk up the gravel drive, over the plywood and enter through the east door (the regular door and not the big garage door 😊) Looking at the picture, my home is on the left (east) and the set back, pool building is on the right (west).
